## Restricted Territories

The jurisdictions which are under increased monitoring regarding strategic deficiencies in their regimes to counter money laundering (ML) and terrorist financing (TF).
Any customer as well as any sublicensee is requested to conduct business in any of those regions with caution and to follow effective policies and procedures to mitigate any risks of ML/TF, including a robust KYC on all customers. Licensor may at its absolute discretion and without the need to provide any additional justification, refuse to allow any of its content to be provided in any of the Restricted and/or High-risk Territories.

## Regulated Territories

Licensee is not allowed, and guarantees to ensure that the Clients do not, in any way, directly or indirectly, make use of the Product in the regulated jurisdictions or make it available to the Users located in the regulated jurisdictions, except in case where the Licensee and/or Client provide a valid proof (license, certification, permit etc) that they are legally permitted to operate the Product in any of the regulated jurisdictions. In the event that a specific jurisdiction should be divided into multiple states or regions, the Licensee shall only be permitted to offer Product for real money in such state or region as the Licensee's local remote gaming license specifically permits.
